

# Now You SEE It...

SmartStone Induction System by Spring USA

Put 'Awe' and excitement into your buffet service with the revolutionary "SmartStone Induction System" by Spring USA! Designed to keep your hot foods hot, temperature tuned induction warmers are invisibly installed beneath a beautiful, long-lasting 'granite' surface. Since the induction is discreet, the MOBILE Spring Induction System can be stored in plain sight as an attractive piece of furniture.

# ...Now, You Don't

Very Smart- Very Spring!
